Lynn,

We will need retail items for the following number of allocations:

Pack Incentive: 1,129,656 (therefore we'll need 564,828 for each color)

Carton incentive: 258,420

Thanks, Tom

1,180,980

49,349 x 24 = 1,184,376

11,133 X 30 = 333,990
